Loreen,

Please find attached the completed cover letter. I could not remove the shading on the date and name ?!. Please have Rick sign the contract and I will sign the letter, if this is OK with Rick.

Thanks for your help.
Roger

Yes, he (Rick) can/will sign. I will be going to the O/C for a luncheon, I will be happy to bring to Joy.

Here is a template that I have used before. Please feel free to personalize it some more!

Thanks for your help. I will draft the letter and ask Rick to sign the contract (I guess he is the one to sign it ?).

Roger,

Per our discussion yesterday, I have revised Dr. Harada's Agreement. The only thing that was changed was a correction to his address. As previously stated, this should go out for his signature with a cover letter from you.

Here is the Consultant Agreement for Dr. Harada. This should go out with a cover letter from you, Roger or someone who will be Dr. Harada's contact.

Per Kevin, all correspondence needs to be between Dr. Harada and a representative from PM USA. See Kevin's previous note from last Thursday below.

thanks, Loreen.

As w/ other aspects of the TES in Japan, Kohji should not be negotiating w/ Dr. Harada or directing his work If you like, we can discuss this w/ Roger and Rick as well.
